Factory / Turkey

SAB Satellite has been started in the Netherlands in 2001 and is grown to a very successful European company. SAB has a wide product range like satellite receivers, dishes, lnb's and mechanical pieces. All the satellite receivers are under own protected "SAB" brand. SAB has high demands for quality and service. All satellite receivers which SAB is selling have 2 years warranty. Technical support is tremendous.

Head Office / The Netherlands

The technical service department is always ready for all technical questions and repairs. SAB is giving support in English, German, Dutch and Turkish.

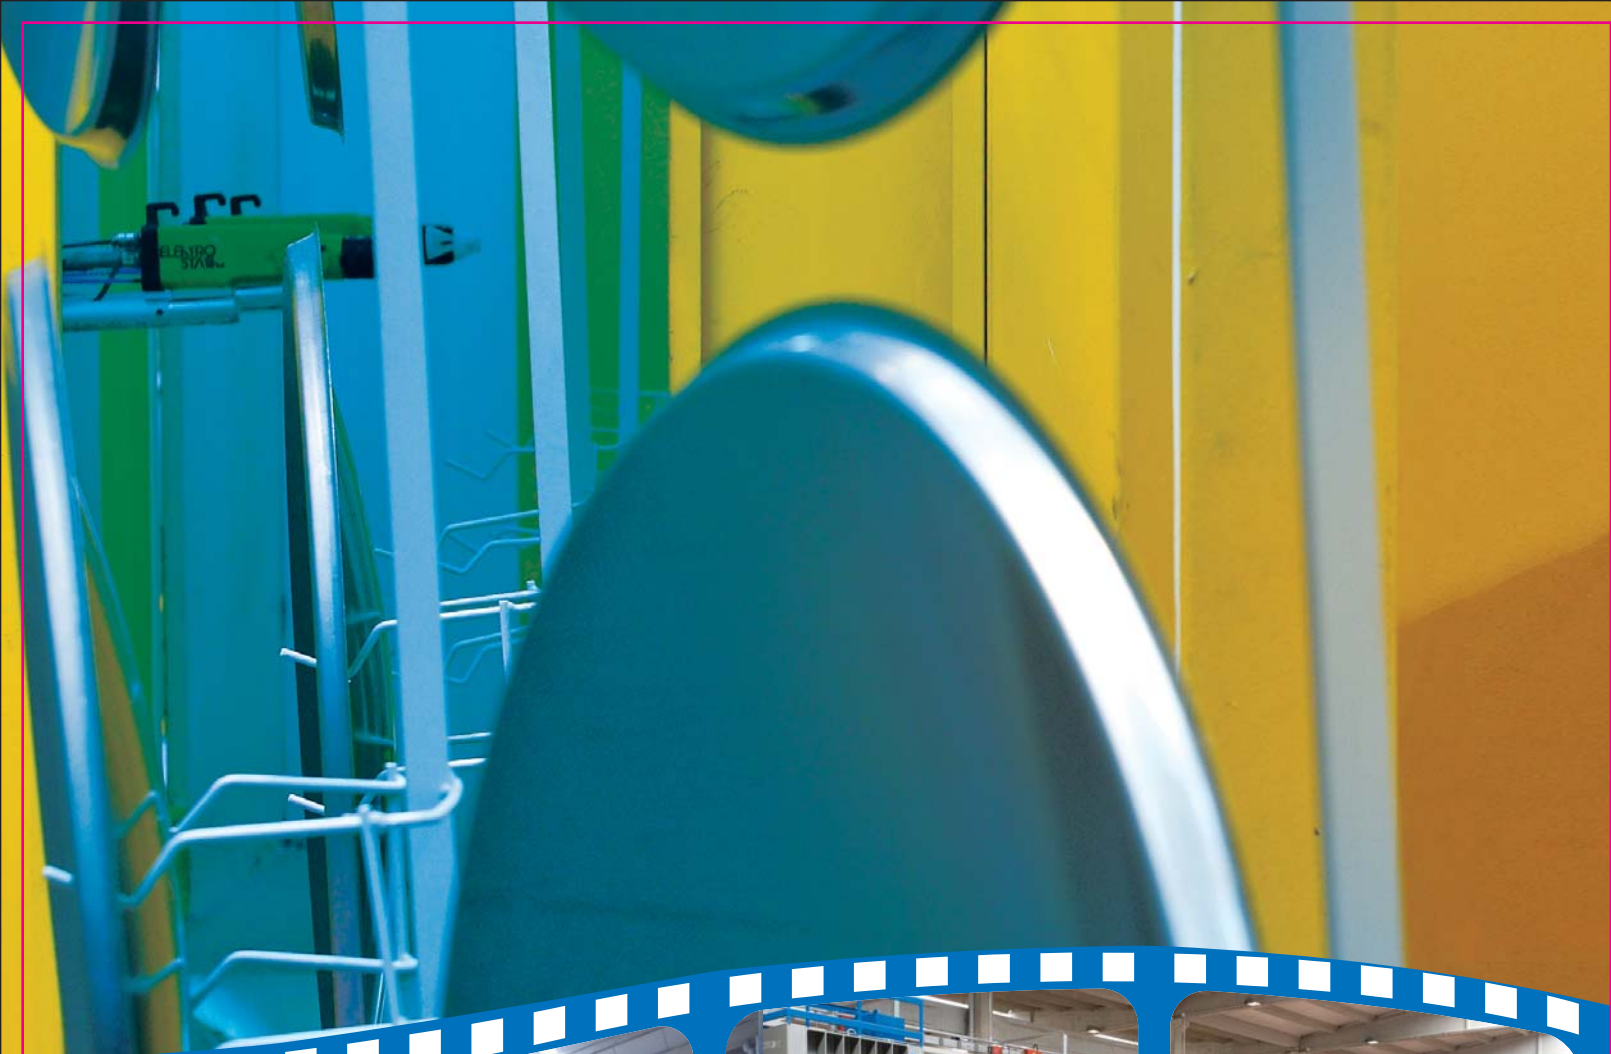

To get better product quality and to be able to give better response on big orders, SAB has her own modern factory in Turkey. SAB produce satellite dishes, all satellite equipment and accessories in electro galvanised, hot dipped and aluminum. To guarantee a higher quantity, SAB is started producing dishes as well.

SAB dish is one of the best quality dishes in Europe. SAB produces many type of dishes and wall brackets. When SAB doesn't have the product already in assortment, then it is possible to produce new products on request.

SAB has different distributors in different countries in Europe. SAB products are obtainable in more than 15 different countries in Europe.

SAB products are always in high quality and good prices.

SAB has a new and modern factory in Konya, Turkey, with 6000 m² production area.

The factory has modern machines for production of different mechanical pieces. The galvanisation process is full automatic. In the factory there is possibility to produce aluminum, electro galvanised and hot dipped.

There is a capacity for production of more than 150.000 dishes per month. The dishes are zinc phosphate and have electrostatic powder coatings which offer superior protection.

SAB has very good quality control. All production is checked carefully by a quality controller.

SAB can produce all types of iron and aluminum. This can be in the satellite business but also outside.

SAB S65 DISH Steel mount

| SPECIFICATIONS | REFLECTOR |
|-------------------------|--|
| Type | Offset |
| Ofset Angle | 26 ° |
| Reception Frequency | 10.70 - 12.75 GHz |
| Antenna Gain (Ku-Band) | 35 dB - 37dB |
| Material | Zinc Phosphated Steel |
| Finish Coat | Polyester Powder Coating |
| Color | Anthracite (RAL-7016) Light Gray (RAL-7035) |
| Small Axis Diameter | 60 cm |
| Long Axis Diameter | 66 cm |
| LNB Holder | 40 mm |
| F/D | 0.62 |
| Operational Temperature | -40° + 60° |
| Operation Wind | 90 km/H |
| Survial Wind | 150 km/H |

| SPECIFICATIONS | MOUNT |
|------------------------|--|
| Type | Trs 6080 |
| Material | Galvanized Steel |
| Finish Coat (Optional) | Polyester Powder Coating |
| Color | Light Gray (RAL-7035) Anthracite (RAL-7016) |
| Azimuth Alignment | 0° - 360° |
| Elevation Alignment | 0° - 90° |

SAB S80 DISH Steel mount
